# Antique Kewpie Doll

The first illustration of the Antique Kewpie Doll was drawn in 1912 by artist Rose O'Neill. The earliest, Vintage Kewpie dolls were produce from bisque and manufactured by German doll making companies.

## German Antique Kewpie doll in Bisque

This Vintage Kewpie doll is jointed at the shoulders and has been marked on the back with the word Germany.

Kewpies have been made in nearly every size that you can imagine, starting at 1" to over 3' feet tall. The modern Kewpie doll is made from vinyl and one of the biggest producers of vinyl Kewpies is the Charisma Company, which is owned by Marie Osmond.
